MINNESOTA FIRE SERVICE FOUNDATION MEMORIAL

Capitol Mall, St. Paul, MN

In honor of our fallen...your help is needed.

Dear Firefighter,

The Minnesota Fire Service Foundation is working with LEO A DALY architects to create a memorial site in honor of fallen firefighters from across the state. This memorial will be located on the grounds of the State Capitol and will be a site for an annual recognition ceremony for all those that have given their lives in service to their communities as firefighters.

Our goal is for this memorial to be funded *by firefighters, for firefighters* – and in order to make that possible, we need your help. **If each Fire Department in the state of Minnesota contributes \$30 or more for each of their active firefighters, we will raise the \$600,000 needed to build this beautiful memorial in honor of our fallen.** The goal is to have the necessary funds raised by December 31, 2011. If this goal is not met, all of the donations will be returned and the Memorial initiative will be abandoned.

The Minnesota Fire Service Foundation is a 501(c)3 organization, so all donations are tax deductible.

Please make a contribution to this important memorial, which will honor our fallen firefighters for centuries to come.

Sincerely,

George F. Esbensen

President of the Minnesota Fire Service Foundation
